

## Cleaning up *Social Town*...

The *Unthinkables* have all been defeated!!! Create a picture of what *Social Town* would look like now. Draw three examples of citizens using their *Superflexible* thinking and thinking about others. Ahhhh. . . What a great place to live.

Hey! don't forget to put *SUPERFLEX* in your picture somewhere. Without him, there would be no *Social Town!*

Did you notice any *Rock Brain* moments happening in your town? Describe or draw below.
