

Do **YOU** have what it takes?

Today we will be doing some tests at the *Superflex Academy Gym* to see if you are a good candidate for our *Superflex* training. In order to become the ultimate superhero, *Superflex*, one must have some ability to control his behavior. After each activity, you and your teacher will put a grade on your Brain Test form. You will receive a Pass (P) or Needs More Work (NMW) for your final grade. If you receive a P, then you may continue on with the rest of the training sessions at the academy. If you receive a NMW, you may be asked to do more brain exercises to strengthen your thinking.
