

Be on the lookout for...

Topic Twister Meister

He could be headed your way!!

He can try to take over your brain at any time and loves to try and defeat *Superflex!!*

Look for these signs:

-  This character gets the person to twist the topic around to what he wants to talk about and goes off on tangents when talking to others.
-  Topic Twister Meister may get the person to go on and on about topics he wants to talk about, not realizing that others may be bored or disinterested in what he is talking about.

How he can be defeated by *Superflex*:

-  **Check-in** with those around you. Does it look like they are interested in what you are saying? If not, ask a question about what they might want to talk about.
-  **Turn off your "Me" button** and try to think only about the other person by asking him questions.
